

Pharmacopeia grade chemicals manufactured in GMP facility

High quality compendial
grade products

Manufactured in state of
the art cGMP facility

Technical package as per
regulatory requirements (CTD)

Technical support
available

Ideal Properties

Stable &
Reproducible

No unwished
interaction
with drug

Pharma-
cologically
Inert

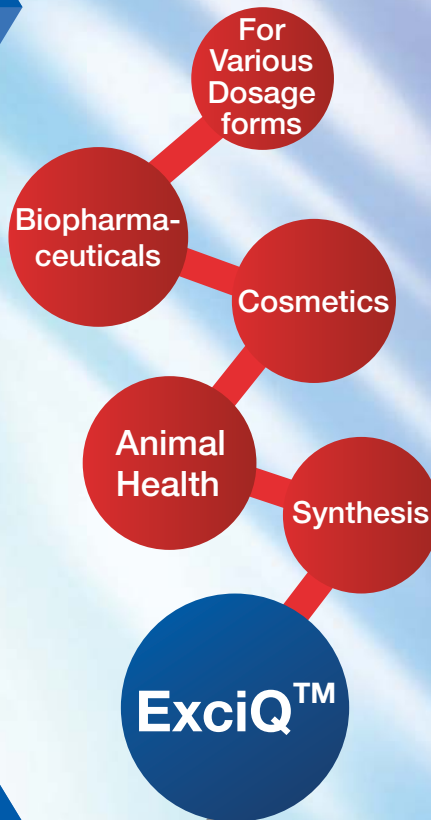

Desired
Functionality

Cost
Effective

Application

Benefits

Compendial Grade Products Range

- Binders
- Functional Fillers
- Lubricants
- Thickeners
- Stabilizers
- Carriers
- Bulking Agents
- Preservatives

Regulatory Information

GMP
certified facility

ISO certified
ISO9001 – 2015

Technical package
as per CTD

Compendial Grade
IP/BP/Ph.Eur./USP

Declarations

- GMP
- GMO
- BSE/TSE
- Melamine
- Aflotoxins
- Residual solvents
- Gluten
- Allergens

Packaging & Samples

- 1kg/5kg/50kg
- 1kg & 5kg:- Packed in double LDP bags in HDPE bottle
- 50kg:- 5kg x 10 Nos packed in double LDP bags in HMHDPE drum
- Sample available on request
- Special packaging available on request
